

**Group
activity:**

**Using UI
Libraries**

Group 1:

Find where this book would be on the shelf:

Book

☐ Wrestling fundamentals & techniques the Iowa Hawkeyes' way / by Mark Mysnyk ; foreword by Dan Gable ; [text photos by Don Roberts].

Mark Mysnyk

West Point, N.Y. : Leisure Press c1982

Available at Main Library (GV1195 .M97 1982)

Be ready to show where you found it on the building floor plan. What other kinds of books are on the shelves near this?

PS3515

Library patrons note
Call numbers from
PS3517 thru Z are now
shelved on the 2nd floor
on the Southwest end.

Group 2:

For your Rhetoric class, you need to find an example of an old print advertisement. Locate a copy of Reader's Digest from the 1960s. Be ready to show where you found it on the building floor plan. What other kinds of items are in this area?

Third floor

◀ Theses & Dissertations ▶
◀ A Bound Journals Z ▶

Queen's Quarterly

Reader's Digest

Group 3:

For your Contemporary World Problems class, you need to find some newspaper articles about the Arab Spring protests. Use the UI Libraries' website to find the online full text for at least one article on this topic. Be ready to show the steps you used to locate it.

The Main Library also has a selection of current newspapers available on the first floor. Can you locate them?

First floor

Group 4:

Your study group made plans to meet at Main Library to work on a project. Find at least two areas that you could use for group study. Be ready to show the locations on the building floor plan. Did you see any individual study spaces while you were exploring?
